- 3.3 The College Mission Statement together with the strategic pillars of the College agreed by the Corporation from time to time, seek to encapsulate the core purposes and aims of the College. Corporation Members should have due regard to these purposes and aims and to the Core Value Statements when conducting the business of the Corporation and considering the activities and proposed activities of the College.
- 3.4 The Corporation recognises its obligations to all those with whom it and/or the College have dealings, including students, employees, suppliers, other educational institutions and the wider community. In particular, the Corporation is committed to:
- 3.5 having close regard to the voice of the learner;
- 3.6 combating any discrimination within the College on the grounds of the characteristics protected by the Equality Act 2010 (“the 2010 Act”) and promoting equality in accordance with its duty under the 2010 Act;

- 3.10 The Corporation is committed to ensuring that it conducts its business in accordance with the highest ethical standards as set out in more detail in this Code.
- 3.11 The Corporation is fully committed to child protection, safeguarding, and online safety and expects its members to conduct themselves at all times in accordance with the highest standards of behaviour.

4. DUTIES

- 4.1 Corporation Members are in the position of charity trustees and as such owe a fiduciary duty to the College. This means that they should show it the highest loyalty and act in good faith in its best interests. Each Corporation Member should act honestly, diligently and (subject to the provisions appearing in paragraph 10 of this Code relating to collective responsibility) independently. The actions of Corporation Members should promote and protect the good reputation of the College and the trust and confidence of those with whom it deals.
- 4.2 Decisions taken by Corporation Members at meetings of the Corporation and its Committees must not be for any improper purpose or personal motive. Decisions taken must always be for the benefit of the College, its students and staff and other users of the College and must be taken with a view to safeguarding public funds. Accordingly, Corporation Members must not be

¹ See the College’s Code of Practice on Freedom of Speech

bound in their speaking and voting by mandates given to them by other bodies or persons (including the bodies that elected them).

- 4.3 Corporation Members must observe the provisions of the College's Instrument and Articles of Government and in particular the duty to give immediate notice to the Director of Governance should they become disqualified from continuing to hold office and also the responsibilities given to the Corporation by the College's Articles of Government. Those responsibilities, including a list of "reserved" responsibilities which are so important that they must not be delegated, are set out in Appendix 3.
- 4.4 Corporation Members should comply with Standing Orders and terms of reference of the Corporation and its Committees to ensure that the Corporation conducts itself in an orderly, fair, open and transparent manner and must keep those standing orders and terms of reference under periodic review.
- 4.5 Corporation Members should also have regard to the different, but complementary, responsibilities given to the Principal and Chief Executive. The responsibilities given to the Principal by the College's Articles of Government are set out in Appendix 4. Whereas it is the Corporation's function to decide strategic policy and overall direction and to monitor the performance of the Principal and any other senior post holders, it is the Principal's role to implement the Corporation's decisions, and to manage the College's affairs within the budgets and framework fixed by the Corporation. Corporation Members should work together so that the Corporation and the Principal and Chief Executive perform their respective roles effectively.
- 4.6 Corporation Members should refer to the Director of Governance for advice relating to the governance functions which are set out in Appendix 4 and have regard to the Director of Governance's independent advisory role.

5. STATUTORY ACCOUNTABILITY

- 5.1 Corporation Members are collectively responsible for observing the duties set out in the Conditions of Funding Agreement which the College has entered into with the DfE as a condition of receiving public funds and Managing Public Money.
- 5.2 All Governors should ensure that they have reviewed and are familiar with the Funding Agreement and financial guidance that can be found in the College Financial Handbook.
- 5.3 Although the DfE is the main provider of funds to the College, Corporation Members should note that they are also responsible for the proper use of income derived from other sources, such as the Office for Students (OfS), and for the control and monitoring of expenditure of such income in order to meet the requirements of the relevant funding body and public audit. Where funding is received directly from the OfS the College will have an agreement with the OfS, as set out in the OfS's terms and conditions of funding, which confirms the basis on which such funding is provided. Where OfS funding is received indirectly via a collaboration with an OfS funded institution, such funding will be subject to obligations contained in the memorandum of co-operation between the College and that institution.

- 5.4 The Secretary of State is directly responsible and accountable to Parliament for ensuring that the uses to which the DfE puts its funds are consistent with the purposes for which the funds were given and comply with the conditions attached to them. The Principal, as accounting officer for the College, is also directly responsible and accountable to Parliament, through the Committee of Public Accounts, for the effective stewardship by the College of public funds. The Principal may be required to appear before the Committee of Public Accounts, alongside the Secretary of State, to give an account of the use made by the College of such funds. The Corporation is accountable to Parliament for ensuring the financial health of the College, and to the Courts for ensuring that the College is conducted in accordance with the Education Acts and the general law.

6. PUBLIC SERVICE VALUES

Following a decision of the Office for National Statistics, the English College sector was reclassified to central government from 29 November 2022. Further Education Corporations are classified as public sector for government accounting purposes and public bodies in many legal contexts. Public service values are at the core of the further education service. High standards of personal and corporate conduct, based on the principles set out in Appendix 1 of this Code, and the recognition that students and other users of the College's services are at the heart of all decision making, is a requirement of being a member and should underpin all decisions taken by the Board.

7. SKILL, CARE AND DILIGENCE

A Corporation Member should, in all their work for the College, exercise such skill as they possess, and such care and diligence as would be expected from a reasonable person in the circumstances. This will be particularly relevant when Corporation Members act as agents of the College, for example, when functions are delegated to a Committee of the Corporation or to the Chair. Corporation Members should be careful to act within the terms of reference of any Committees on which they serve.

8. POWERS

Corporation Members are responsible for taking decisions which are within the powers given to the Corporation by Parliament under sections 18 and 19 of the Further and Higher Education Act 1992, as amended. A summary of those powers is set out in Appendix 7. If a Corporation Member thinks that the Corporation is likely to exceed its powers by taking a particular decision, they should immediately refer the matter to the Director of Governance for advice.

9. CONFLICTS OF INTEREST

- 9.1 Like other persons who owe a fiduciary duty, Corporation Members should seek to avoid putting themselves in a position where there is a conflict (actual or potential) between their personal interests and their duties to the Corporation. They should not allow any conflict of interest to arise which might interfere with the exercise of their independent judgement.
- 9.2 Corporation Members are reminded that under the College's Instrument of Government and its policy on Conflicts of Interest and the general law, they must disclose to the Corporation any direct or indirect financial interest they

have, or may have, in the supply of work to the College or the supply of goods for the purposes of the College, or in any contract or proposed contract concerning the College, or in any other matter relating to the College or any other interest of a type specified by the Corporation in any matter relating to the College, or any duty which is material and which conflicts or may conflict with the interests of the Corporation.

- 9.3 If an interest of any kind (including an interest of a spouse, partner or business associate of a Corporation Member or of a close relative of the Corporation Member or their spouse, partner or business associate) is likely or would, if publicly known, be perceived as being likely to interfere with the exercise of a Corporation Member's independent judgement, then:
- 9.3.1 the interest, financial or otherwise, should be reported to the Director of Governance;
 - 9.3.2 the nature and extent of the interest should be fully disclosed to the Corporation before the matter giving rise to the interest is considered.
- 9.4 If a Corporation Member is present at a meeting of the Corporation, or any of its Committees, at which such supply, contract or other matter constituting the interest is to be considered, they should:
- 9.4.1 not take part in the consideration or vote on any question with respect to it and shall not be counted in the quorum for that meeting; and
 - 9.4.2 withdraw from that Corporation or Committee meeting where required to do so by a majority of the members of the Corporation or Committee present at the meeting.
- 9.5 For the purpose of clause 9.3 "close relative" includes, but is not limited to, a father, mother, brother, sister, child, grandchild, and stepfather/mother/brother/sister/child.
- 9.6 Where it is proposed that the Corporation should grant a member a financial interest (such as a contract for the supply of goods or services) the Corporation must observe the requirements of the Charities Act 2011. The Corporation may wish to take legal advice before granting such an interest to a member.
- 9.7 Corporation Members must not receive gifts, hospitality or benefits of any kind from a third party which might be in breach of the Bribery Act 2010 and the College's anti-bribery policy and the College's policy on receiving gifts or be seen to compromise their personal judgement or integrity. Any offer or receipt of such gifts, hospitality or benefits should immediately be reported to the Director of Governance.
- 9.8 The Director of Governance will maintain a Register of Corporation Members' Interests which may be inspected upon request. Corporation Members must disclose routinely to the Corporation all business interests, financial or otherwise, which they or persons associated with them may have, and the Director of Governance will enter such interests on the Register. Corporation Members must give sufficient details to allow the nature of the interest to be understood by enquirers. Corporation Members should inform the Director of Governance whenever their circumstances change, and interests are acquired or lost. In deciding whether an interest should be disclosed, Corporation

Members should have regard to the meaning given to “interest” in paragraph 9.2 to 9.4 of this Code.

10. COLLECTIVE RESPONSIBILITY

- 10.1 The Corporation operates by Corporation Members taking majority decisions in a corporate manner at quorate meetings, including meetings held using Microsoft Teams or by written resolutions. In all cases only if so provided for in the Instrument and Articles. Therefore, a decision of the Corporation, even when it is not unanimous, is a decision taken by the Corporation Members collectively and each individual Corporation Member has a duty to stand by it, whether or not they were present at the meeting of the Corporation when the decision was taken.
- 10.2 If a Corporation Member disagrees with a decision taken by the Corporation, their first duty is to have any disagreement discussed and minuted. If the Corporation Member strongly disagrees, they should consult the Chair and, if necessary, then raise the matter with the Corporation when it next meets. If no meeting is scheduled, the Corporation Member should refer to the power of the Chair or any five Corporation Members under the College’s Instrument of Government to call a special meeting and, if appropriate, exercise it, requesting the Director of Governance to circulate the Corporation Member’s views in advance to the other Corporation Members. Alternatively, as a final resort, the Corporation Member may decide to offer their resignation from office, after consulting the Chair.

11. OPENNESS AND CONFIDENTIALITY

- 11.1 Because of the Corporation’s public accountability and the importance of conducting its business openly and transparently, Corporation Members should ensure that, as a general principle, students and staff of the College have free access to information about the proceedings of the Corporation. Accordingly, agendas, minutes and other papers relating to meetings of the Corporation are normally available for public inspection, on request, when they have been approved for publication by the Chair.
- 11.2 There will be occasions when the record of discussions and decisions will not be made available for public inspection; for example, when the Corporation considers sensitive issues or named individuals and for other good reasons. Such excluded items will be kept as confidential by the Director of Governance, and will be shared in confidence to Corporation Members save for those Members who have a conflicting interest in the particular sensitive matter. Some confidential items are likely to be of a sensitive nature for a certain period of time only (for example information relating to a proposed commercial transaction or collaboration with another institution). The Corporation should specify how long such items should be treated as confidential or, if this is not possible, such items should be reviewed regularly to consider whether the confidential status should be removed or whether the public interest in disclosure outweighs that confidential status and the item made available for public inspection. The Corporation Members must also consider the personal data that is contained within the excluded items in accordance with the Corporations’ obligations under the UK GDPR and the Data Protection Act 2018 (“Data Protection laws”) and whether or not disclosure of that personal data would be in breach of the Data Protection Laws or the rights and freedoms of the individual(s) in question. When considering such issues the Corporation

Members must also consider the College's publication scheme issued under the Freedom of Information Act 2000 and Environmental Information Regulations 2004, and the Corporation Policy on Public Access to Meetings and Publication of Minutes and Papers. Nothing in this section overrides the College's obligation to disclose in response to a request received under these information law regimes (unless an appropriate exemption applies in each case).

- 11.3 However, staff and student Corporation Members have no right of access to minutes dealing with matters in respect of which they are required to withdraw from meetings under the College's Instrument of Government.
- 11.4 It is important that the Corporation and its Committees have full and frank discussions in order to take decisions collectively. To do so, there must be trust between Corporation Members with a shared corporate responsibility for decisions. Corporation Members should keep confidential any matter which, by reason of its nature, the Chair or members of any Committee of the Corporation are satisfied should be dealt with on a confidential basis.
- 11.5 Corporation Members should not make statements to the press or media or at any public meeting relating to the proceedings of the Corporation or its Committees without first having obtained the approval of the Chair or, in their absence, the Vice-Chair and consulting with the Principal and Chief Executive. It is unethical for Corporation Members publicly to criticise, canvass or reveal the views of other Corporation Members which have been expressed at meetings of the Corporation or its Committees.

12. COMPLAINTS

- 12.1 In order to ensure that the affairs of the College are conducted in an open and transparent manner and that the College is accountable for its use of public funds but also to its employees, its students and the community it serves, it is important for there to be appropriate complaints procedures in place and for these to be easily accessible on the College webpages. Corporation Members are reminded of their specific responsibility under the Articles of Government to make rules specifying the procedures in accordance with which employees may seek redress of any grievances relating to their employment, of the importance of having formal complaints procedures in place to handle issues raised by students, former students and third parties and of the legal requirement to have a whistle blowing procedure in place.
- 12.2 Under the DfE's Conditions of Funding Agreement with colleges, students, employers and other third parties have a right to make a complaint to the DfE in respect of the College or of any of its decisions, and this right is referred to in the College's relevant complaints and disciplinary procedures. Copies of the complaint's procedures are accessible on the College's webpages. The latest information on the DfE's procedure for dealing with complaints about post-16 education and training provision funded by the Department is in its [Complaints Procedure](#).
- 12.3 Complaints made by learners following HE courses in FE colleges are directed to the Office of the Independent Adjudicator for HE.

13. ATTENDANCE AT MEETINGS

A high level of attendance at meetings of the Corporation is expected so that Corporation Members can perform their functions properly. The Corporation Standing Orders contain the agreed attendance requirements.

14. GOVERNANCE DEVELOPMENT

- 14.1 The Corporation shall seek to ensure that all Corporation Members are appointed on merit, in accordance with an open selection procedure carried out by the Corporation's Governance Panel and are drawn widely from the community which the College serves so as to be representative of that community. The Corporation should have regard to the provisions relating to the membership of the Corporation in the College's Instrument of Government, the need to combat discrimination, to promote equality and diversity, and the need to make available a range of necessary skills and experience to ensure that the Corporation carries out its functions under the College's Articles of Government.
- 14.2 The Corporation is responsible for the strategic oversight of the college and are guardians of public money, ensuring its effective and efficient use. As such, governing bodies should have the right mix of skills and experience to fulfil these responsibilities. Corporation members will obtain a thorough induction and training to understand their duties and responsibilities.
- 14.3 In order to promote more effective governance, Corporation Members will carry out an annual review of the performance by the Corporation of its duties and responsibilities, including a review of their own performance and skills needs as part of a continuing and critical process of self-evaluation.

APPENDIX 1

The Seven Principles of Public Life

*The following is an extract from the Second Report
of the Nolan Committee on Standards in
Public Life, May 1996*

Responsibilities which must not be delegated

The Articles of Government prohibit⁴ the Corporation from delegating the following:-

Corporations are free to amend these within the parameters set by the Revised Schedule 4 Further and Higher Education Act 1992 as inserted by the Education Act 2011. Responsibilities which must be retained by the Corporation under the revised Schedule 4 are shown with a double asterix. The list that follows summaries the effect of Articles 3, 9, 10 and 19.

APPENDIX 4
