

FEBRUARY

February is here, and the perfect chance to show your future self some love! Whether you're exploring new ideas, looking for opportunities, or taking your first steps toward long-term goals, this month is full of chances to find what motivates you. In this Valentines edition, we're sharing resources, insights, and upcoming events designed to help you fall in love with your career journey and take confident next steps toward your future.

Careers quote of the month

Progress isn't about being perfect – it's about being willing to try, learn, and keep moving.

Careers Tip of the month

Do one small, brave thing this month – ask someone for help, advice, or an opportunity. A single message could open a door.

What is Labour Market Information?

Labour Market Information, often shortened to LMI, is a collection of facts and figures about employment which help us understand the job market more. This information includes skills required for jobs, demand for jobs and potential growth sectors, and information on pay and conditions.

To look at which skills employers are seeking in different areas of the UK and to explore local trends, you can use this website [here](#).

LMI Spotlight on the Health and Social Care sector

Are you kind, caring and compassionate? If so, then a career in this sector could be right for you!

We tend to think of hospitals and our local GP when we think of this industry but it's much more complex.

The health and social care industry has a variety of roles across hospitals, clinics, care homes and in the community too, looking after people in their own homes.

Skills

In-demand skills and qualities include **compassion and empathy, calm under pressure, team working, respect and communication.**

2,400

Businesses

There are **2,400 businesses** in this sector, **150** of which **employ** between **50** and **249** people.

107,000

People employed

This sector employs more than **100,000** people - **16%** of the Lancashire workforce.
